Dear _____,

I am a member of the **Lamar Consolidated High School Mighty Mustang Band**, and the benefits that I gain from this program are countless. There are opportunities for learning leadership and teamwork skills, as well as the importance of responsibility and perseverance. Throughout life I will carry with me the skills and traits that I acquire from participating in the band.

School districts realize the importance of fine arts programs, but district funding does not cover everything. The costs associated with supporting the band include fees for specialized music technicians, the guard program, music writing and arrangement, leadership camp, contests, and out-of-state educational trips for the entire band (every four years). This is our trip year! **This coming spring 2008, the band will be taking it's big trip to Orlando.** Add to these expenses the fact that our band program is growing, and you can easily see that more funding is required.

The need for additional funds is nothing new, however, and every year the Band Booster Club provides fundraising opportunities for the students. **This year, in an effort to reach more friends and relatives, we are using this letter writing campaign.** Your donation will go a long way in helping our band program continue on its successful path. 80% of each donation will go directly into the specified student's Participation Fund, helping to cover trip expenses and required band supply costs. The remaining funds will be placed in the Band Booster General Fund to be used, as directed by the membership, for supporting the overall band program.

When making a contribution, please include my name on your check so that my Participation Fund will be credited. The Band Booster Club is a 501(c)3 Non-Profit Organization, and your donations are tax-deductible. Please keep a copy of the completed, attached pledge form for your records.

Thank you so much for your support. Your donation is greatly appreciated!

Sincerely,

Lamar Mighty Mustang Band Student

Thank you from the Band Booster Club, for your support. Your contributions are appreciated and will be used wisely as directed by the membership to benefit the Mighty Mustang Band and their proud traditions.
